Information about FCTT HiRailers Train Club:

The FCTT HiRailers is a modular Hi-Rail Model Train Club based in Rochester New York. We have been in existence for over 30 years and are a non-profit 501c3 organization. We operate and display O-Gauge model trains from various manufacturers at train shows and community events, averaging about 14 train shows per year. FCTT is nationally recognized as a premier O-Gauge Hi-Rail Model Railroad Club. Our expertise is putting up and operating high-quality train layout displays at multiple venues throughout the year for the public to enjoy including at train shows, county fairs, senior living homes, Children's Hospital, Senior Fund Raisers, Libraries, and national venues. We have displayed at the TCA National Convention in Burlington, VT, the LOTS National Convention in Saratoga Springs, NY, the TTOS National Convention in Buffalo, NY, and three times at the TCA Eastern Division show in York, PA. In addition, FCTT hosted the 2012 LOTS National Convention in Rochester, NY.

We are celebrating our belated 30th year anniversary at the FCTT Hemlock Train Show. FCTT will be assembling and displaying our largest and most detailed layout that we have constructed in the past 10 years at this train show.

We have developed an aggressive advertising plan for the Hemlock Train Show. Fourteen train clubs are being notified of our plan and we are promoting the show at the Hemlock Fairgrounds where we are a major attraction with anticipated attendance of 30,000+ people. We also have plans to advertise the train show at the New York State Fair in Syracuse, NY.

We are confident it will be a crowd pleaser and encourage involvement in our favorite hobby - Model Railroading!

Information on Hemlock Fairgrounds:

The FCTT HiRailers Hemlock Train Show will be held at the Hemlock Fairgrounds, 7370 Water St, Hemlock, NY 14466 in the 14,300+ square foot Ag Expo Building. This is a secure building with ample parking for vendors and the public.

Hemlock Fairgrounds is located just 20 miles south of Rochester, NY and within a 100 mile radius of Buffalo, Syracuse, Corning, Hamburg, and Hornell, on the north end of Hemlock Lake, at the intersection of routes NY 20A and NY 15A.

For map location and directions go to: <https://www.hemlockfair.org/maps.html>.

Accommodations are available at several hotels nearby in the I-390, I-90 corridor. There are also RV sites available on-site at the Hemlock Fairgrounds; cost is \$25.00/night and includes water and electric.

We encourage you to reserve your tables now as we are reaching out to over 200 vendors to join in at the first big train show of 2021! The tables are filling up fast.

Hope to see you there!
